ISSUE 14

Dear Parents

A busy end of term as always as you will see below. Outings to a Sikh temple, a Geography Field Trip to Carding Mill Valley and a Year 10 Engineering Workshop at MTC, as well as our annual production and several other activities. We would hate to be bored!

A reminder as always, not to hesitate to contact us should you have any concerns. We are here to do the best for your children.

E McConnell

Congratulations

To the Junior Choir who performed so splendidly at yesterday's Leamington Festival!

Concert Friday 6 July 8.55am

We would like to invite you to see not just the junior choir but also the Senior Choir and Year 7 & 8 on Friday 6 July at the start of school. It will be the perfect way to start the day. You will go away singing I am sure, when you see the beautiful work that Mrs Sewell has been doing with your children.

I will be asking the PTA if they are able to organise a drink for when you arrive at school in readiness for an 8.55 start.

Litter

Every morning I seem to be on litter duty as I go between schools. Could I ask parents to encourage children to take their litter home with them or use the bins in the playgrounds. That way, we will know that it is not our pupils' making a mess.
