### **Introduction**

- We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so.
- We do all we can to encourage the children to attend and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children.
- The Principal is responsible for making sure the school keeps Admission and Attendance registers in accordance with the regulatory requirements. For all day pupils of compulsory school age our attendance register records which pupils are present at the start of both the morning and the afternoon sessions of the school day. An attendance record is also kept of children in the Early Years Foundation Stage (EYFS).
- This register will also indicate whether an absence was authorised or unauthorised.
- The Principal also ensures that a compliant admissions register is kept.

- The school calendar and dates when the school is open can be accessed from the News page of our website, [www.pattisons.co.uk](http://www.pattisons.co.uk).
- Parents are notified of school emergency closures for such things as extreme weather by text. The information is also posted on the Pattison College Facebook page.

**The Role of the Parents:** Parents have the legal responsibility for ensuring that children of compulsory school age (5 to 16) receive a suitable education, either by regular attendance at school or otherwise.

**The Role of the School:** The school is required to maintain two registers:

- An admission Register (known as the School Roll)
- An attendance Register.

### **Admission Register**

This gives particular information about pupils who are currently registered as attending Pattison College. For the purposes of day-to-day management of the school the admission register may be contained within the school database. The register will comprise information that is compliant with regulations set out in the education (pupil registration) (England) regulations currently in force. For each pupil, the admission register will contain:

- Name in full
- Gender
- Name and address of every person known to the school to be a parent or guardian of the pupil (and an indication of the parent with whom the pupil normally resides)
- At least one telephone number at which the parent can be contacted in an emergency
- Day, month and year of birth
- Day, month and year of admission or re-admission to the school
- Name and address of the school last attended, if any
- Leaving date and ongoing placement

### **Attendance Register**

The School is required to ensure that the attendance register for all pupils on the school roll is taken twice a day – once at the start of the morning session and once during the afternoon session.

Each pupil must be marked on the register in one of the following categories:

- Present
- Engaged in an approved educational activity away from the school site (approved by the head teacher and supervised by a person approved by the head teacher, including sporting activities, educational visits or residential trips)
- Absent
- Unable to attend through exceptional circumstances (unavoidable closure of the school site or part of it)
- Taking authorized absence (granted leave of absence by the head teacher or a person acting on their behalf, unable to attend by reason of sickness or unavoidable cause, observing a day exclusively set apart for religious observance by the religious body to which the parent belongs)
- Taking unauthorized absence (if no reason is established when the register is taken, the entry may be corrected later when the reason is established).

If a pupil is absent, the register must say whether or not the absence has been authorized by the school (parents cannot authorize absence – it is the school that decides how to classify absences). Authorized absence is where the school has either given approval in advance for a pupil of compulsory school age to be away, or has accepted

an explanation offered afterwards as satisfactory justification of absence (e.g. illness). All other absences are treated as unauthorized.

Authorized absences include: medical or dental appointments, days of religious observance, visits to future schools, exclusion, family bereavement and special occasions (e.g. weddings). All requests for absence must be made in writing to the appropriate Divisional Head for Lower and Middle school pupils and to the Head of Upper School pupil Life for Upper School pupils, giving the school plenty of time to consider the request.

If a pupil is absent without explanation when the register is called, school staff will normally contact the parents the same day whenever possible. The absence will be treated as unauthorized unless an explanation is offered as satisfactory justification for absence.

### **Failure to Attend School**

If a pupil fails to regularly attend school, we will work closely with the parents, pupil and school to resolve issues and develop strategies to improve attendance.

The school is required to inform the LEA if a pupil fails to attend regularly. Independent schools have a legal duty to report certain attendance issues to their local authority: 3.5 days within a 6-week block (other than for reasons of sickness or leave of absence), failure to attend regularly, additions to the attendance register within 5 days and deletion from the school register under the 15 grounds identified by Children Missing From Education September 2016 Annex A (Appendix 1). In this last case, independent schools are required to report the circumstances as soon as possible to the local authority (LA) in which the pupil lives.

### **Definitions**

#### ***Authorised absence***

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent. For example, if a child has been unwell, the parent writes a note or telephones the school to explain the absence.
- Only the school can make an absence authorised. Parents do not have this authority.

#### ***Unauthorised absence***

- An absence is classified as unauthorised when a child is away from our school without the permission of both the school and a parent.
- Therefore, the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

### **If a child is absent**

- When a child is absent unexpectedly, the class teacher will record the absence in the register and will inform the school office.
- When the child returns to school, a note from a parent or guardian should explain the absence. Notes are placed in the back of the register.
- A note, email or telephone call should be sent/made to the school office prior to the day of absence e.g. if a child has a medical appointment.
- If there is any doubt about the whereabouts of a child, the class teacher should take immediate action by notifying the school office. Pattison College will then be in contact straight away with the parent or guardian, in order to check on the safety of the child.

### **Requests for leave of absence**

- We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are circumstances under which a parent may legitimately request leave of absence for a child to attend e.g. a visit to sixth form, Graduation ceremony etc.
- We expect parents to contact the school at least a week in advance but normally this request will be granted.
- Pupils at Pattison College enjoy 15 weeks holiday from school. We therefore naturally prefer parents to take their family holiday in the normal school holiday periods. The school will, under exceptional circumstances, grant the leave of absence in term time. A holiday request form asking for such an absence should be downloaded from the website or could be collected from the school office and returned to the form teacher in the first instance, who will complete the pupil's attendance so far that year. It is then passed on to the Principal.

### **Long-term Absence**

- When children have an illness that means they will be away from our school for over five days, the school will do all it can to send material home so that they can keep up with their school work.

### **Repeated Unauthorised Absences**

- The school will contact the parent of any child who has an unauthorised absence.
- If a child has a repeated number of unauthorised absences, the parents will be asked to visit the school and discuss the problem.
- Pupils showing patterns of non-attendance will be referred to the Educational Welfare Officer if the attendance has not improved after a meeting with parents.

### **Monitoring of Attendance**

- It is the responsibility of the Principal to monitor overall attendance and seek to ensure that the attendance figures are as they should be.
- The school keeps accurate attendance records on file for a minimum period of five years.
- Class teachers will be responsible for monitoring attendance in their class and for following up absences in the appropriate way.
- Any ongoing absences, 'Lates' or unauthorised absences for holidays is followed up as quickly as possible.
- If there is concern about a child's absence, the teacher will contact the school office who in turn will attempt to contact the parents.
- Pattison College values attendance at school and pupils with 100% attendance in the academic school year are presented with a 100% attendance badge at the Annual Prize Giving. Termly full attendance certificates are awarded at each end of term assembly.
